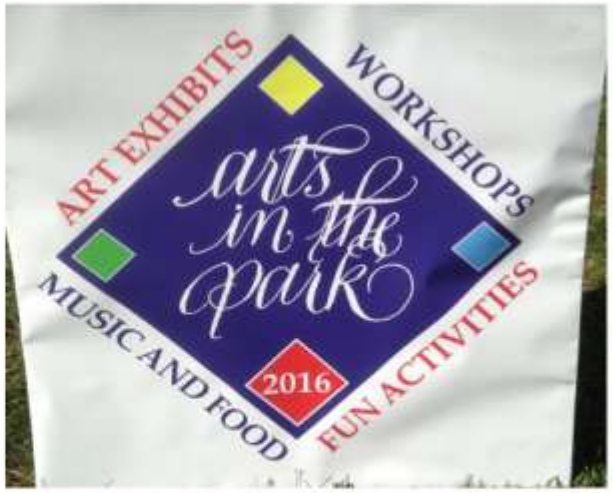
COVENTRY Arts GUILD

VISUAL • PERFORMING • LITERARY

Membership 2017

The Coventry Arts Guild invites you to join us in our second year of celebrating and developing the arts in our town and the eastern Connecticut region.

We are Artists, Performers, Writers and Crafters as well as friends and neighbors dedicated to developing all the arts for the enhancement of life in our town.



The MISSION of the Coventry Arts Guild is to connect artists and arts enthusiasts with the general public by creating opportunities for visual, performing and literary artists to share knowledge and expertise, educate and teach, as well as produce and market their work for the enrichment and enjoyment of the community.

Our VISION is to become a primary resource for the diverse artistic community of Coventry educational institutions, organizations and the general public.

The GOAL is to create dedicated art spaces and events, as well as opportunities for artists to showcase and sell their work. Guild activities aim to promote, encourage and inspire the recognition of area artists.

2016 ... our founding year

60 artists in a variety of fields joined together to support the concept of an arts guild for the Coventry community. We meet monthly and coordinate with the Coventry Town Council and Recreation Dept. With a charter and elected officers the Guild successfully applied for non-profit status. There's also a Guild Facebook page, website and email. Find us occasionally at Coventry Farmer's Market too. In 2016, the Guild held two youth art shows at the town library and decorated a tree this year for Christmas in the Village.

Arts in the Park
In September, the Guild organized an arts festival in Patriots Park with art and craft vendors; a dozen performances on the band-shell stage; kids art activities; and a members exhibit in the community center gallery.
